

Proposal to Gain Campus Union's Support of SC Library Research Services

Proposed by: Nam Pham

1. Whereas, PASCAL has provided essential research services for students in the state of South Carolina; and
2. Whereas, Governor Sanford and the Legislature of South Carolina has cut the budget for colleges' access to these services by 90%, therefore forcing colleges to either find alternate funds or cancel their subscriptions to the services; and
3. Whereas, Wofford has been fortunate to remain one of fourteen colleges that has found alternate funds for subscriptions to these services, while the other 38 colleges have been forced to cancel various services, thus eliminating their students' access to these valuable materials;

THEREFORE, BE IT RESOLVED THAT:

1. The Campus Union of Wofford College endorse the state funding of the PASCAL research services.
